"It is a great thing to start life with a small number of really good books which are your very own." Sir Arthur Conan Doyle.

Be sure and mark April 8th on your calendar. The Friends of the Library are having the first book sale of the year. There are subjects for every taste, novels, paper backs, children's books, who dunits, how-to-do-its and magazines of all descriptions. Come on by and have a look at our splendid array of books. If you haven't renewed your Membership for 1978 this would be an excellent time to do so. The price is still \$ 2.00 a year.

"Thank you" in great abundance to Vi Isgreen, who looked at the Library plants, took pity on them, carried them home and revived them. Those that were beyond recall, Vi replaced with healthy new greenerys. Also, for the pleasure and enjoyment of all Vi made delightful dolls for the Library. You are invited to stop by and enjoy!

National Library Week: April 2nd through April 8th. Celebrate by reading a good book!

The Children's Film Marathon, in honor of International Childrens Day, will be April 1st. Our Library will show continuous films from 10 a.m. 'til 5 p.m. Hope all of our children and their parents will make plans to attend this special event, its on Saturday.

Other films to be shown at the Libray in the future are Planet of the Apes on April 19th. Conrack on May 17th. Butch Cassidy and the Sundance Kid on June 21st. They start at 6:30 p.m.

A personal note, my sincere thanks for the very kind and thoughtful notes I have received complimenting our first Newsletter. There is something so special about a pat on the back, it makes for happiness.

Delma Peery.

President.
